BOLDINI F.	Ppt, 1 quiz 1 corsswrd	Speak, listen, read, write	Ppt advanced, xword maker basic, video	Ppt ✓ video clip X exx ✓✓	Slide 2 is too crammed with verbal; there's no animation of bullet points in some slides (animation should be consistent throughout the whole ppt); Slide 3: bullet point 2 comes last; there might be too much interaction students-teacher in peaking which might lead to confusion, this requires a skilled teacher to manage the class; to me the riddle procedure still feels a bit obscure; the L.P. suggests the video clip captions were not edited. Overall evaluation: well designed quiz & crossword; good inductive method; nice visual level.	29	29
